

Popular Education Model:

- (1) Personal experience and knowledge of participants.
- (2) Find patterns
- (3) Add new knowledge and analysis
- (4) Share practical skills used in home and community
- (5) Apply knowledge
- (6) Celebrate!

How can we organize in a way that gives people energy to create and grow movements?

Focus on greater goal

Pick a goal with a process as part of the goal / failure cannot happen

Use “small chunks”

Relationship build within context of anti-oppression

Build relationships without an agenda

Please and thank you, appreciation

Taking action steps

Talking face-to-face

Learning from mistakes

Democratize

Embracing the tension of the unknown

Clarity

More People, More Time

Letting Go

Resourceful tactics
